11<sup>th</sup> January 2022

Dear Parent/Guardian,

At St. Patrick's Grammar School, we value a strong relationship between our pastoral teams and pupils and consider this a key factor in achieving success. To foster these positive relationships, we will be holding Academic Review Days remotely in February 2022, using the School Cloud platform.

These days provide an opportunity for pupils and their Form Teachers/ Year Heads/ Section Heads to meet and discuss the progress your child has made thus far this academic year.

The Academic Review Days will be held on **Thursday 3<sup>rd</sup> and Friday 4<sup>th</sup> February**. **Each student will be given an appointment time which they should attend online with a parent/guardian.** The appointment will last for 15 minutes.

To have a minimum impact on your other commitments, I ask that you please log on to the school's online conferencing website, at your earliest convenience and book an appointment with your son's form teacher, at the following link:

<https://stpatricksgrammararmagh.schoolcloud.co.uk/>

Please note that the **normal school timetable will be suspended on these two days**. Study facilities will be available for Years 11-14 students.

We are looking forward to seeing all of our pupils during the Academic Review Day, as the information discussed can have a strong impact on your son's education and well-being.

Yours faithfully,

Mr. Dominic Clarke.  
Principal
