

STUDENT LOANS - Eligibility

TO QUALIFY FOR A LOAN, YOU MUST BE

- Resident in the UK
- Enrolled on an eligible course
- Under 50 years old at the start of your course
- Under 55 years of age if a new entrant and planning to return to work after studying

OVERSEAS STUDYING

- The University has to charge full-cost tuition fees to overseas students.
- This means that approximately £8000 per year will be required for classroom based courses and £10,000 for laboratory based courses.
- You are advised to provide at least £8,000.00 per year for maintenance and living expenses.
- You can pay tuition fees in advance.
- Contact your own Ministry of Education for details of scholarship opportunities, such as those run by international Agencies or Voluntary Organisations.
- Contact your nearest British Council Office, British Embassy or High Commission for details of UK Scholarship Schemes - these are limited, competitive and usually restricted to postgraduate study.

EUROPEAN UNION STUDENTS

- If you are a student from a member state of the European Community, you will have a contribution towards the cost of your tuition fees.
- The amount to be paid will be means-tested by the UK Government Department for Education and Employment, based on either your or your parents' financial circumstances.
- You are not eligible for the Student Loan Scheme.

OPENING A BANK ACCOUNT

- You are advised to open a bank or building society account before you come to University.
- Shop around and make sure that the account you choose offers the services you need.
- If you already have an account, check to see if you are still getting the best deal!
