Dear Parent/Guardian

I write with information on GCSE results which your son is expecting later this Summer and on the school's arrangements for interviewing **all** students, following the publication of GCSE results.

**Results will be released on Thursday 24th August 2023, please check the school's social media platforms for arrangements regarding receipt of results.**

Here in St Patrick's we offer a wide variety of Post-16 educational opportunities, both academic and vocational, in addition to facilitating successful transition to a wide range of further education institutions and technical courses. The individual needs and strengths of all students will be considered when making final decisions regarding subject choices.

Decisions regarding Year 13 places will be considered based on the following information:

- Pastoral profile;
- Academic profile and work ethic;
- Contribution to the school community;
- Behaviour Record;
- Attendance and punctuality;
- Adherence to shared school vision of respect and inclusion.

**Students will be offered the opportunity to meet with staff to discuss Post 16 options on Friday 25<sup>th</sup> August 2023.**

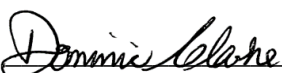

The time and date of your son's appointment will follow by text. If you find that **the allocated time or date does not suit please contact Reception, as soon as possible, to make an alternative arrangement.**

**In order to keep school records completely up to date, and to enable us to issue fully informed references in the future, it is IMPORTANT that ALL students and their parents make personal contact with a member of the Senior Management Team or careers staff by 3pm on Friday 25<sup>th</sup> August 2023.**

I wish your son every success with his results. We look forward to seeing him at St Patrick's after the announcement of results and hope that he is enjoying his summer holidays.

**School will begin with an Induction Day details of which will be forwarded later.**

Yours sincerely

  
Mr Dominic Clarke
